TENNIS WAS JUST THE BEGINNING.

—Andre & Stefanie

Between the two of them, Andre and Steffi hold thirty Grand Slams plus two Olympic gold medals. Steffi became the only tennis player (male or female) to achieve the Career Golden Slam in the same calendar year. To this day, she still holds the record for being the only player (male or female) to win all four slams at least four times.

After his French Open win in 1999, Andre became the second man to achieve the Career Grand Slam in the Open Era and the first man to achieve the Career Golden Slam in addition to his gold medal win at the 1996 Olympics.
